

# BP 5200 – TITLE IX, HARASSMENT, INTIMIDATION, DISCRIMINATION, AND BULLY POLICY

IvyTech Charter Schools (“ITCS” or the “Charter School”) adopt this Title IX, Harassment, Intimidation, Discrimination, and Bullying Policy to apply to students enrolled in ITCS.

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students’ ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, ITCS prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school property, at school-sponsored events and activities, regardless of location, through school-owned technology and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable state or federal law or local ordinance. Hereafter, such actions are referred to as “misconduct prohibited by this policy.”

To the extent possible, the Charter School will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. The Charter School staff that witness acts of misconduct prohibited by this policy will take immediate steps to intervene when safe to do so.

Moreover, the Charter School will not condone or tolerate misconduct prohibited by this policy by any employee, independent contractor or other person with which the Charter School does business, or any other individual, student, or volunteer. This policy applies to all employees, students, or volunteer actions and relationships regardless of position or gender. The Charter School will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. The Charter School complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this policy.

### **Bullying and Cyberbullying Prevention Procedures**

Charter School has adopted the following procedures for preventing acts of bullying,

including cyberbullying.

## 1. Cyberbullying Prevention Procedures

Charter School advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the public had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

Charter School informs its employees, students, and parents/guardians of its policies regarding the use of technology in and out of the classroom. The Charter School encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

## 2. Education

Charter School employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. Charter School advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at Charter School and encourages students to practice compassion and respect each other.

Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.
